Joint EPA Regional Consultation Opportunity with the Seneca Nation of Indians (R2 & R3)
Region 3 has submitted two separate letters to invite the SNI to consult on two State of
Pennsylvania water related matters: (1) PA's proposed changes to the its Impaired
Waters 303(d) list; and (2) proposed changes to PA's water quality standards (WQS) under CWA
303(c). The Nation has accepted the opportunity to consult on the Water Quality Standards
matter and awaiting their decision on consultation on the impaired waters matter. Region 3 will
be lead region for responding to technical questions while Region 2 will provide a facilitative
role for the discussion.

Seneca Nation of Indians (SNI) and the Pennsylvania CWA Section 303(d) List of Impaired Waters:
Pennsylvania [HYPERLINK
"http://www.pacodeandbulletin.gov/Display/pabull?file=/secure/pabulletin/data/vol50/50-26/814.html" \h] on June 27 inviting interested persons to submit written comments through August 11 on its draft 2020 Integrated Report - Clean Water Act Section 303(d) report of impaired waters. EPA Region 3 reached out to Region 2 to find out how we wanted to handle informing the SNI about the Pennsylvania 303d list. We responded and R3 agreed that written notification to the Seneca Nation of Indians should come from R3 as it is the lead for PA's 303(d) list. If the Seneca Nation responds in the affirmative, Region 2 will assist Region 3 by facilitating the consultation discussions between the Nation and R3. On July 16, R3 sent its letter to the SNI. We reached out to Lisa Maybee of the SNI in June to let her know we expected the list to be posted and reached out to her again in July to inform her that Pennsylvania had posted its notice on June 27.
